

ORIGINAL PAINTS.

The DEUTZ-FAHR range.

THE DEUTZ-FAHR RANGE OF ORIGINAL PAINTS.

DEUTZ-FAHR ORIGINAL PAINTS PROVIDE EXCELLENT DURABILITY AND A PERFECT COLOUR AND GLOSS MATCH.

► DEUTZ-FAHR's product range satisfies all professional painting requirements.

► DEUTZ-FAHR colours are available in a tin or spray can for all types of application.

► The products available also include a specific temperature resistant enamel for the exhaust pipes.

► The technical specifications imposed by the original manufacturing specifications

ensure not only the correct colour shade, but also the right degree of gloss of each paint.

To repaint a DEUTZ-FAHR tractor, only trust original products.
